OBJECTIVE

Passionate about developing innovative web applications using React. Quick learner with leadership, problem-solving, and adaptability skills. Seeking to contribute to impactful web projects and continuously grow my technical expertise.

EDUCATION

Degree	Institute	CGPA/Percentage	Year
Bachelor of Technology	Bajaj Institute of Technology, Wardha	7.58 (till 5th semester)	2022-2026
HSC	Bajaj College of Science, Wardha	76%	2022
SSC	Sushil Himmat Singka Vidyalaya, Wardha	93%	2020

PROJECTS

E-Auction Website| Web Development | HTML, CSS, JavaScript, PHP, MySQL, Bootstrap
— Built a responsive auction website enabling direct buyer-seller transactions, removing intermediaries like wholesalers and transporters.
— Developed core features: item listing, bidding, user authentication, and real-time auction tracking features using PHP, MySQL, HTML/CSS, and Bootstrap.
— Ensured secure, user-friendly design.

ShikshaHub Website - Collaborative Educational Platform | Web Development | MERN STACK
— Developed a role-based platform with separate dashboards for students, teachers, and admins.
— Enabled community creation via unique codes and content sharing with moderation and copyright handling.
— Built features for study material/blog uploads, review workflows, and role-based permissions.

TECHNICAL SKILLS

Languages	:JAVA, HTML, CSS, Javascript, MySQL
Frameworks	:React.js
Other	:Figma, GitHub

POSITION of RESPONSIBILITY

Team Lead – Mini Project 1   5th Semester
Led and managed a team of 3 members in developing a web-based application for real-time auctions. Oversaw task allocation, handled core technical implementation, and delivered the final project presentation.

Team Lead – Mini Project 2   6th Semester
Coordinated and managed a team in designing and developing the **ShikshaHub** platform using the MERN stack. Took charge of project planning, development workflow, and comprehensive documentation.

ACHIEVEMENTS

- Programming in Java (NPTEL)
- Data Visualization: Empowering Business with Effective Insights (Tata Group)
- Principles of UX/UI Design (Coursera)
